Stewart Anniversary Invitational

It's our annual trip to Pismo Beach, and another opportunity for our friends from Northern California and Southern California to get together for golf, fun, and adventures on the Central Coast.

Reservations have been made for 20 players only. Sign up early so we can get additional times if necessary. For anyone interested, we will be playing the new Monarch Dunes in Nipomo on Friday. Please indicate on registration form if you might be interested in playing at Monarch Dunes.

Pismo Beach

Traveling north, Pismo Beach is located on California's Central Coast off Highway 101/1 (190 miles from Los Angeles, 90 miles from Santa Barbara). Traveling south, Pismo Beach is located 200 miles from San Jose, 12 miles from San Luis Obispo. Pismo Beach, a true laid back California town, is best known for its long stretch of white sand where salt water "whooshes" sea foam up the gently sloping beach, then "whishes" back out to sea. It's a quaint town where hotels and restaurants offer ocean views, steps away from the beach. A few rooms have been reserved at Sea Crest Resort (800-782-8400). For other lodging information go to www.pismo-beach.com or contact the Pismo Beach Chamber of Commerce at 805-773-4382.

The back nine transverse a tidal estuary. Golfers of all abilities will enjoy the challenge of this scenic course.

Monarch Dunes Golf Club - May 19th - First Tee Time: 12:08

The new course in Nipomo, **Monarch Dunes is Woodland's** tribute to the origins and tradition of golf. Surrounded by windswept dunes and eucalyptus trees, coastal vistas and amber-colored hillsides, Monarch Dunes Golf Club is reminiscent of the true links-style courses found in Scotland, and a "must-play" for those who seek a challenging, yet amiable, unspoiled golf adventure. Journey through California's coastal highlands and discover the evolving conditions and natural beauty that inspire an unforgettable golf experience... one that calls you back time and again.
